

iINVESTMENTOR AGENCY

MISSION

We aim to help foreign and Hungarian companies wishing to settle and expand in Hungary especially in the Southern Transdanubia region. Our job is to find the economically most suitable location taking into consideration the labour market, the logistics facilities and the possibilities for financial and legal support. We provide you with the information, agreements and service providers necessary to an undisturbed project.

We aim to make Hungary, and more precisely the Southern Transdanubia region known and acknowledged at an international level, including all of its natural, social and economic advantages, so that foreign companies may consider it an attractive location for investment. We think it is especially important that foreign investment is not only a boost to the local economy, but also provides employment opportunities in the region.

LEGAL SUPPORT

We provide comprehensive legal support and legal representation from starting a company to tiny, daily legal tasks, in cooperation with the management of your company and your book keeping company.

- Establishing a company, preparing company law documents,
- Legal support to the Board
- Supporting the setting up of organisational structure
- Drafting contracts
- Daily strategy counselling
- Proposals for supplier contracts, including warranties
- Taking care of legal issues, legal representation of the company if necessary
- Supporting administrative procedures such as obtaining permits and managing supervisions, appearing at authorities, local governments, and so-called Government Windows

We guarantee the comprehensive legal customer service for your company and owing to our wide professional network we can continuously contribute to establishing a good reputation for the company.

HR

Today, one of the most important strategic areas of companies is human resource management.

Through our collaboration, we provide high-efficiency personalized HR services from finding employees, training them to the complex HR strategy. This ability is based on our extensive experience gained in various economic spheres.

Our services:

- HR Strategy
- Provide on-site HR Specialist - HR Interim
- Wage structure planning, execution and tracking
- Labour mediation/headhunting,
- Personnel placement,
- Larger scale recruiting,
- Organizing employee training courses.

We help the employer with plannable, creative, yet simple processes to efficiently perform HR tasks relevant to the current challenges. These tools, together with our acquired knowledge and experience, support the achievement of business goals set by our partners.

ECONOMIC BACKGROUND

Whether strategic counselling, finding the right real estate or solving taxation related issues, we can assist you at many aspects of economic life. We aim at continuously supporting our Clients' operations and react flexibly to any possible changes occurring in it.

Main fields of expertise:

- Financial and economic foundation of developments, business planning
- Marketing strategy and planning
- Establishing public sector development projects
- Providing mentoring and professional tasks between market players and public sector actors
- Cost reduction - efficiency gains
- Funding

Expertise and reliability are key factors in this area, that enable us to provide our Clients' with up-to-date, correct and real advice.

SUPPLY CIRCLE

When launching a project, finding the right strategic partners is crucial. To support a successful project with finding the right suppliers, we can reach out to our international network of over 200 000 members.

There are a large number of challenges when establishing, developing and expanding a company, and it is a large and time-consuming task to find reliable partners in order to manage these challenges.

- Selecting the industrial area
- Project preparation tasks
- Designing buildings
- Building industrial halls
- Benefits program
- Cleaning
- Training
- Organisational development
- Familiarity with local features

We assess your needs, find the suitable and reliable companies, and provide you with alternatives to choose from the best.
